

Ten Ways to Make This the Best Year of Your Marriage

My number one goal in ministry each year is to make this the best year of our marriage from Bonnie's perspective. It is her call. Many years ago I almost completely ruined our marriage by allowing a relationship with another female to exist that was wrong, sinful, and dishonoring to my wife. It was a wake-up call for me. On several occasions, Bonnie has stated that the past year was the best year of our marriage. I know exactly what it takes to make this the best year of our marriage. If I am doing this correctly, each year should become harder to make this the best year of our marriage because of my past success.

Here are some things that I aim for in order for this year to be the best of our marriage.

Pray daily with your mate.

Lead spiritually

Reduce or eliminate debt

Date your wife regularly

Plan together

Reduce your (husband's) entertainment

Be responsible

Compliment nine times for every critical statement

Fix-up something around the house

Pray for wisdom on being a husband
